CliftonLarsonAllen LLP
1925 Century Park East, 16th Floor
Los Angeles, CA 90067

This representation letter is provided in connection with your audit of the financial statements of Seal Beach Mutual No. Three, which comprise the balance sheet as of December 31, 2019, and the related statements of operations, stockholders' equity, cash flows for the year then ended, and the related notes to the financial statements, for the purpose of expressing an opinion on whether the financial statements are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm, to the best of our knowledge and belief, as of March 13, 2020, the following representations made to you during your audit.

Financial Statements

1. We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated September 27, 2019, for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP.

6. No events have occurred subsequent to the financial statement date and through the date of this letter that would require adjustment to, or disclosure in, the financial statements.

7. The effects of uncorrected misstatements are immaterial, both individually and in the aggregate, to the financial statements as a whole. A list of the uncorrected misstatements is attached to the representation letter.
8. We are not aware of any pending or threatened litigation, claims, or assessments or unasserted claims or assessments that are required to be accrued or disclosed in the financial statements in accordance with U.S. GAAP, and we have not consulted a lawyer concerning litigation, claims, or assessments.
9. Transfers and designations of fund balance and interfund borrowings were properly authorized and approved and have been properly reflected in the financial statements and disclosed to you.
10. Material concentrations have been properly disclosed in accordance with U.S. GAAP.

 - c. Unrestricted access to persons within the entity from whom you determined it necessary to obtain audit evidence.
 - d. There have been no communications from regulatory agencies concerning noncompliance with, or deficiencies in, financial reporting practices.
2. All material transactions have been recorded in the accounting records and are reflected in the financial statements.
3. We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
4. We have no knowledge of any fraud or suspected fraud that affects the entity and involves:
 - a. Management;

 6. We have no knowledge of any instances of noncompliance or suspected noncompliance with laws and regulations whose effects should be considered when preparing financial statements.
 7. We are not aware of any pending or threatened litigation, claims, or assessments, or unasserted claims or assessments, that are required to be accrued or disclosed in the financial statements in accordance with U.S. GAAP, and we have not consulted a lawyer concerning litigation, claims, or assessments.

The methods of measurement and presentation of the supplementary and comparative information regarding funds for future repairs have not changed from those used in the prior

period, and we have disclosed to you any significant assumptions or interpretations underlying the measurement and presentation of the supplementary information.

16. We acknowledge our responsibility for presenting the Supplementary Information related to the Schedule of Direct Expenses, including its form and content, in accordance with U.S. GAAP. The methods of measurement and presentation of Schedule of Direct Expenses have not changed from those used in the prior period, and we have disclosed to you any significant assumptions or interpretations underlying the measurement and presentation of this information.

Skylights and Sola Tubes may be installed through a contract between the resident and a contractor under inspection by the Physical Property Department. Responsibilities are as follows:

During the warranty period, the contractor is responsible for the entire skylight and Sola Tubes installation. After the warranty period, the following responsibilities apply:

- a) Mutual: The Mutual is responsible for the curbing and flashing since this will normally be changed when the building is reroofed.
- b) Resident: The resident is responsible for the skylight dome, the skylight operating mechanism, the shaft (including painting), and the ceiling grid. (See Diagram 1)

- 1) The skylight curbing shall consist of 2" x 6" framing with a minimum 4" rise above roof sheathing and flashing. (See diagram 2)
- 2) Only curb-mounted skylights shall be allowed in the Mutual. Self-flashing skylights are prohibited.

MUTUAL OPERATIONS**PHYSICAL PROPERTY****RESCIND****Garden Areas, Trees and Shrubs – Mutual Three****PURPOSE**

~~This policy is adopted so that the landscaping of Mutual Three will present an environment that enhances the ambiance of its surroundings and thus adds to the enjoyment of the cooperative living style of Mutual Three. This policy is designed to outline the responsibilities of the residents and the Mutual in accomplishing this aim.~~

GARDEN AREA SIZES

- ~~1. Residents are allowed a garden area in the front of their apartments, defined by Mutual policy as 36" wide measured from the face of the building. However, any building with an existing broken or erose common garden line can be no more than 48" from the building.~~
- ~~2. At time of resale, the common garden line will be determined by the existing lines of the gardens to either side and, if necessary, will be brought back to the common garden line at seller's cost.~~
- ~~3. At the time of resale, the seller must remove any items in the garden that are not allowed in Mutual Three (see Garden Areas, Trees and Shrubs section below).~~
- ~~4. Residents of apartments A, F, G and L, must adhere to these same considerations for the garden areas at the ends of the buildings.~~

GARDEN USE

- ~~1. Residents may plant greenery of their choice as long as it's not any of the plants not permitted in Mutual Three (see Garden Areas, Trees and Shrubs section below).~~
- ~~2. Trees or other plants with root growth that is invasive and has the potential to damage the mutual structures and walkways are prohibited.~~
- ~~3. All plants are to be kept 12" below the eaves, kept 6" from any wall or deco block, and should never exceed the roof line.~~
- ~~4. Vines are not permitted to climb on any structure. If a trellis is used, it must be free-standing and kept 6" from any wall or deco block and 12" below the eaves.~~
- ~~5. All planting must be trimmed back 6" from the building. Removal of any offending growth will be done by the Mutual at the resident's expense if the resident does not maintain these standards.~~

(Feb 12)

MUTUAL OPERATIONS**PHYSICAL PROPERTY****RESCIND****Garden Areas, Trees and Shrubs – Mutual Three**

- ~~6. Fertilization and plant pest control within the garden area are the responsibility of the resident and will be done at their cost. Mutual garden service may be employed at resident's cost. An estimate of the cost will be provided if the resident desires the gardener to perform this work. Shareholders may contact their parcel director to arrange this service.~~
- ~~7. Watering this area is the resident's responsibility.~~
- ~~8. Gardens are cultivated by the Mutual gardening service unless the resident desires to perform this task. The resident should request red flags from a Director to place in the garden area if the resident wants to care for the garden area. Gardeners will not work in any area that has a red flag — even if it is in a pot — the entire area will not be worked. If a red flag is removed and the gardeners clean up the area and then the red flag is put back at a later date and the area needs to be cleaned up again by the gardeners, the resident will be charged.~~
- ~~9. Gardeners are instructed to remove weeds, wild mint, and plants of the spiderwort family, all of which can spread into the lawn or neighboring gardens. Baby tears are optional. Roses are trimmed in December/January by gardeners, except for red-flagged gardens. In all cases, plants must be cut back so as not to extend over the garden line.~~
- ~~10. Residents are not to give directions to the gardeners. The gardeners are not employees of the Mutual or of GRF. They receive their orders from the supervisor of the landscape service which the mutual hires.~~
- ~~11. Potted plants are not permitted on the entrance walk, nor can they inhibit the 36" entry requirement.~~
- ~~12. Potted plants are not permitted on top of the pad mounted transformers, nor can they be hung from or placed on pad mounted enclosures (per Policy 7492) or on telephone vaults.~~
- ~~13. Free-standing, inanimate objects are permitted in the garden area.~~
- ~~14. Carport wall gardens are the responsibility of the Mutual.~~
- ~~15. Sprinklers within resident garden areas, if desired and feasible, must be approved by the Landscape Chair and installed by the Mutual gardeners at the resident's expense.~~

MUTUAL OPERATIONS**PHYSICAL PROPERTY****RESCIND****Garden Areas, Trees and Shrubs – Mutual Three****TURF AREAS**

~~Turf areas are defined as all of the grass / ground areas located outside of the garden areas at each apartment.~~

- ~~2. The Mutual turf areas may be used by the resident for temporary reasons from sunup to sundown. No tents/tarps/coverings are allowed in the turf areas (which includes the grass area in front of a resident's apartment). Use of the turf may be used for but is not limited to:~~

- ~~1. It is the responsibility of every shareholder to maintain the carport floor that the shareholder has been assigned. The shareholder must assure that, at all times, the carport floor remains in a clean and dry condition. Various grease and other contaminants from vehicles may be dried and contained by, among other things, sprinkling kitty litter, which must then be swept up.~~
- ~~2. Cabinet doors must remain closed at all times.~~
- ~~3. Any items, personal effects, belongings, chattels, or materials (“Personal Property”) that a shareholder wishes to store in the carport, must be contained completely within the carport cabinets in a manner which allows the cabinets to be closed and locked, except as stated in Section A, Paragraph 5.~~
- ~~4. The storage of fuel oil or any combustible material in the carport areas is strictly prohibited. Even though the two wooden raised cabinets are intended for locked storage, you may not store any fuel oil or combustible material of any kind in those cabinets, at any time. Fire or combustion could damage your belongs and your neighbors’ belongings, and increase your liability.~~
- ~~5. The following four items are the only items for Personal Property that are permitted to be stored in carports outside of the cabinets (these items must be stored on the raised platform under the cabinet): (1) ladder (length not to exceed seven (7) feet, and which must be hung on or against the wall under the storage cabinet); (2) step stool; (3) two or three wheeled bicycle; and (4) collapsible grocery cart. Even in the absence of a vehicle, the carport floor space may not be used to store any Personal Property, whether free-standing or in any type of container, except as specifically provided herein.~~
- ~~6. If a violation of this policy is found, then Mutual Three (3) will send thirty (30) day notice to the shareholder via First Class and Certified Mail. If the shareholder does not correct the violation, then Mutual Three (3) may remove the offending Personal Property at the shareholder’s expense. The Personal Property will be stored for up to ninety (90) calendar days at the shareholder’s expense. The shareholder may demand return of the Personal Property during this period, after expiration of which the same will be discarded. If there is any subsequent violation of this policy within one (1) year of the expiration of a ten (10) day notice, the Mutual will send a letter, via First Class and Certified Mail, providing the shareholder with ten (10) days to correct the subsequent violation. Failure to comply may result in removal, storage, or disposal of the offending Personal Property, as described in this paragraph.~~

1. Death of Shareholder/Owner, with Surviving Shareholder/Owner Living in the Unit

If there is a surviving shareholder/owner living in the unit at the time of death of the other shareholder/owner, irrespective of whether the death occurred inside or outside of the unit, Security will deliver the Golden Rain Foundation Bereavement Work Book ("Bereavement Book") to the unit.

2. Death of Sole Owner

a. Unattended Death

If the death of the shareholder/owner is unattended — i.e., no individuals are present at the time of death — and the unit is sealed per law enforcement or coroner's order, then no one, including, without limitation, next of kin, trustees, nonresident co-owners, visitors/guests, or registered caregivers, may access the unit until otherwise directed by law enforcement or the coroner. In the event that any individual desires to enter the unit, the Mutual reserves the right to prevent such entry pending further authorization from law enforcement or the coroner. If the death of the shareholder/owner is attended, Security will complete a DOA Report, which will identify all individuals present at the time of death and will deliver the Bereavement Book to the unit. Security will instruct all individuals present, who identify themselves as the legal authority of the unit, to visit the Stock Transfer Office, as soon as reasonably possible, in order to present evidence of same. Security may also verify such legal authority. Notwithstanding the foregoing, Security will inform all persons present that no one may stay in the unit overnight without Mutual permission, unless they are a qualifying resident, qualified permanent resident, or registered co-occupant. Visitors/guests may request, from the Mutual Board of Directors ("Board"), pursuant to Mutual Policy 7555, an emergency waiver to remain in the unit for a limited period of time.

~~A towing program is hereby established regarding removal and towing of vehicles parked on Mutual Three property. The authority for this action is based upon, without limitation, California Vehicle Code section 22658 (“CVC”), as may have been or may be amended or modified and formally adopted, from time to time. This policy shall conform to the CVC, and shall be updated to conform to the CVC, without formal amendment, if the CVC is amended by the legislature of the State of California.~~

~~— In conformity with the CVC, there must be displayed, in plain view at all entrances to the premises at Leisure World Seal Beach (“LWSB”), a sign not less than 17” (inches) by 22” (inches) in size, with lettering not less than 1” (inch) in height, prohibiting public parking and indicating that vehicles will be removed at the owner’s expense, and contain the telephone number of the local traffic law enforcement agency and the name and telephone number of each towing company that is a party to a written general towing authorization agreement with Mutual Three. The sign may also indicate that a citation may be issued for the violation. Pursuant to this requirement, Mutual Three must enter into written general towing authorization agreements with one or more towing companies whose information must be included on the signs described herein.~~

~~— In the event Mutual Three authorizes the removal of any vehicle parked on its property, an officer from Mutual Three must be present at the time of removal to verify the alleged violation and provide written authorization to the towing company. This written authorization must include:~~

~~—— Mutual Three must notify by telephone or, if impractical, by the most expeditious means available, the local traffic law enforcement agency within one hour after authorizing the tow. Violations of this Policy that will result in a vehicle being towed are as follows:**A. Abandoned or Inoperable Vehicles**

~~Vehicles on Mutual Three property that lack an engine, transmission, wheels, tires, doors, windshield, or any other major part or equipment necessary to operate safely on the highways, may be towed as long as: (1) an officer of Mutual Three has notified the local traffic law enforcement agency; and (2) twenty-four (24) hours have elapsed since that notification.~~

B. Hazardous Location Vehicles

~~The Security Department, or any similar department within LWSB, and which may be re-named from time to time, is hereby authorized by Mutual Three to contact its towing operator when a vehicle is parked within 15 feet of a fire hydrant or in a fire lane, or in a manner which interferes with an entrance to, or exit from, the private property. In these instances, general authorization to remove or commence removal of a vehicle is provided to the towing company, and all removals are subject to the towing company's discretion. RESCINDFeeding Wildlife

~~This policy is intended to set certain limitations on interactions between non-domesticated animals indigenous to this community and the members and residents living in close proximity. For purposes of this policy, non-domesticated wildlife is described as all members of the wild bird family, including but not limited to, hawks, owls, pigeons, doves, crows (Crows carry the West Nile virus.), and black birds, as well as other wildlife such as rabbits, opossums, raccoons, squirrels, rats, coyotes, and feral cats.~~

~~Handouts of food rarely meet the nutritional needs of wildlife and may cause those animals to gather and remain in small areas around the source of food. This human-to-wildlife interaction invites larger more aggressive predators, such as coyotes, to come to the area looking for food. Wild animals being fed by human interaction lose their fear of people which leaves the human at risk of being bitten and suffering substantial injury.~~

~~Additionally, many beloved family pets have been the unintended victims of feeding wildlife when taken by larger predators being drawn to unnatural food sources. These situations may also result in an encouraged rodent population, as well as insect infestation.~~

~~Therefore, the following must be adhered to in compliance with this Mutual policy in concert with California Code 251.1, Harassment of Animals, to wit:~~

~~*“Except as otherwise authorized in the Fish and Game Code, no person shall harass, herd or drive any game or non-game bird or mammal or furbearing mammal. For the purposes of this section, harass is defined as an intentional act which disrupts an animal’s normal behavior patterns, which includes, but is not limited to, breeding, feeding, or sheltering.”*~~

~~Further, in compliance with California Code 251.1, Harassment of Animals, the following limitations on wildlife and member interactions are established:~~

- ~~1. Do not feed any non-domesticated wildlife on Mutual property.~~
- ~~2. Pet food and standing water sources are prohibited on patios, in carport areas, and in gardens.~~
- ~~3. Domesticated pets to include caged birds, may not be kept on patios.~~

A record of all notifications must be maintained in the Physical Property Department.

Section 2.9 – Washers and Dryers in Unit.

A sticker with the date of cleaning must be affixed to the cleanout cover every time a cleaning is performed by Service Maintenance or an outside vendor.

In addition, all washing machine hoses and fittings must be checked annually for any leakage or hardening and/or cracking of the hoses and a date sticker must be affixed. Moving the washer/dryer is not a requirement. If any of these conditions are found, the hoses are to be replaced with a follow- up by the GRF Building Inspector to verify completion. This ensures that the appliance may be pulled out and serviced without breaking the vent seal. The contractor may cut a hole for the vent from within the attic but may not have access to the roof of the Mutual building. The contractor must then contact the Mutual roofer to have it flashed with the approved damper cap. An insulation inspection must occur to verify the presence of the soundproofing before the GRF Building Inspector will sign off on the project. If they are an integral part of the bathtub/Jacuzzi, they must be disabled if they do not meet this sound level; (vi) A non-standard 50-gallon water heater shall be installed with a re-circulating pump for the bathtub/Jacuzzi unless an alternate source for maintaining adequate hot water temperature at the bathtub/Jacuzzi is provided such

as a tank-less booster water heater at the bathtub/Jacuzzi. The installation and maintenance shall be at Shareholder's expense; and (vii) The main electrical panel must be upgraded to a 125-amp square D electrical panel with a 100-amp main breaker, if necessary, to provide sufficient circuit breakers. A sub-panel is not permitted.

Shareholder agrees that the bathtub/Jacuzzi and related equipment/appurtenances shall be maintained in good working condition. If the bathtub/Jacuzzi and/or related equipment/appurtenances are not maintained in good operating condition by the Shareholder, the bathtub/Jacuzzi and related equipment/appurtenances shall be removed, repaired, and/or replaced at the Shareholder's expense independent of Service Maintenance.

No framing material or insulation shall obstruct this air flow. If the insulation is going to close this 1" space, then a plastic baffle shall be installed to maintain it. No wood trim or coverings will be allowed on the exterior. Only termite resistant products shall be allowed on the exterior finish. Cement fiber trim and hard panel siding are standard. However, composites may be reviewed by the Mutual Board for approval. The only wood to remain for an exterior remodel is the original roof overhang that includes vent blocks, rafters, fascia, and plywood. Full remodels shall have a brass ball valve main shut off installed for the cold water entering the unit. From this location, all cold-water systems shall be in copper type L and be directed to the kitchen and bathrooms.

If localized remodels occur for the kitchen or bath, a valve shall be used for the cold water servicing these locations. All valves shall be easily accessible. The shut off valve for the hot water shall be at the cold-water supply to the water heater and easily accessible through a panel. Central air conditioning and forced air units still require an 8-inch concrete footing.

2.35.9 Permits are required for wall heaters. In all construction work where wall heaters replace the original heating source, metal conduit or armored cable shall be used for the last six feet of line running from the breaker box to the wall heater(s).

Section 3.1 – Patios.

If the Mutual's Bylaws provide for it, a Shareholder may submit an application to construct a patio. The Shareholder's plans and specifications must be in accordance with the Mutual's requirements as set forth in these Rules and Regulations. Pursuant to Section 2.1 of these Rules, all construction work related to the construction of patios must be done by a contractor licensed and insured in the State of California.

Section 3.2 – Use of Patios/Porches.

3.2.1 Maintenance. The maintenance, repair and replacement of any components of the patio will be the responsibility of the Shareholder. The maintenance, repair and replacement of the components of the porch, except for the roof, will be the responsibility of the Shareholder. The Mutual will maintain, repair and replace the roof components of the porch.

3.2.2 Emergency Egress – Windows and Walkways. All patio/porch window spaces, both inside and outside, must be kept clear for emergency exit and entrance. A clear path of at least four (4) feet must be maintained from the entrance of the patio/porch to the entry door of the unit. Walkway must have a clean, unobstructed pathway, free of potted plants or other items.

3.2.3 Emergency Egress – Doors. No patio/porch addition may have a door that locks. Only doors with direct entry into the Unit may have locks (i.e., front door or sliding glass door leading directly into the Unit from the patio/porch). A door outside in the patio/porch without direct access into the Unit is not considered an entry door. To clarify, there can be no door locked before arriving to the front door of the Unit. Any lock on a patio/porch door must be removed or the Mutual will remove it at the Shareholder's expense. Any object which contributes to uncleanliness or impeded passage for emergency personnel and equipment, and/or which may lead to unhealthy or dangerous conditions to Shareholders, must be corrected by the Shareholder. If such items are not removed, the Mutual will do so at the Shareholder's expense.

3.2.4 Inspection. Patios and porches will be periodically inspected by a GRF Building Inspector assigned by the GRF Physical Property Department.

3.2.5 Storage – Open Patios/Porches. After the initial 30-day move-in period, the following items may not be stored or placed on open patios/porches: (i) Any type of food, including birdseed, dog or cat food except in airtight containers; Do not leave pet dishes with food on the patio/porch; (ii) Cardboard boxes; (iii) Old newspapers, magazines, etc. (unless stored in approved containers); (iv) Laundry hung for airing or drying; Clothing or other items may not be hung on shareholders' patios/porches; (v) Non-working refrigerators or freezers; (vi) Unattended pets or pets in permanent outdoor kennels or caged (including birds); (vii) Spas or hot tubs, indoor upholstered furniture.

Charcoal or highly flammable items, gasoline-operated equipment, gas cans and flammable chemicals are not allowed at any time.

3.2.6 Patio/Porch Décor. Screens, panels, or drapes to block the sun must be of outdoor fire-retardant fabric and must be maintained. Patio/porch décor must be in good taste, and obscene or offensive objects can be prohibited in the discretion of the Mutual Board.

3.2.7 Prohibited Activities. Any workshop causing noise, odor, unsightliness, and/or unhealthy conditions is prohibited within the Mutual. Be guided by the “occasional hobby-oriented” activity rather than an ongoing business or any activity considered to be a nuisance to neighbors. Contact the Mutual Board by sending a letter to the Secretary for further information and guidance. Converting an open patio/porch into a storeroom is prohibited.

3.2.8 Patio/Porch Size. Mutual building permits are required for any alteration to patios/porches. A patio/porch may not be increased by expanding outwards into the garden/common area. Porches may be reduced in size by: (i) Constructing porch closets, which requires a GRF building permit; (ii) Adding pre-assembled cabinets/sheds; or (iii) Expanding the interior rooms of the unit outward into the porch space. Patios may not be reduced in size by adding cabinets/sheds.

3.2.9 Patio/Porch Floor. Outdoor carpeting is permitted. Any permanent resurfacing of the patio/porch floor requires a GRF building permit. Flooring installed without a permit may be removed by the Mutual at the Shareholder’s expense.

3.2.10 Enclosed Porches. A permit from the Physical Property Department and, if required, the City of Seal Beach is required for any construction to a porch. An enclosed porch may not function as a bedroom, kitchen, or storage closet. Any item not appropriate to a porch will be removed by the Shareholder or by the Mutual at the Shareholder’s expense. An enclosed porch may not have windows or any items that would impede direct ingress or egress to the Unit.

3.2.11 Enclosed Porches Acceptable Items. Acceptable items on enclosed porches include: (i) Refrigerator or freezer in working condition plugged directly into wall socket only; or (ii) A washer or a dryer or stacking washer and dryer installed inside a porch storage cabinet. A GRF building permit must be obtained for the installation of these appliances, and all codes relating to electrical and, if applicable, plumbing and ventilation must be adhered to.

Section 3.3 – Golf Cart Pads.

Shareholders must obtain approval and follow established guidelines for the installation and use of any electric cart or scooter and any necessary pad used for parking and recharging of carts and scooters. Such pads shall not be considered a permanent change to the Unit but shall remain a “non-standard” change. Any parking or charging pad shall be removed upon the resale or transfer of the applicable share of stock at the seller’s expense, unless the buyer wants the pad to remain and agrees to such in writing, including an agreement that the buyer will have a golf cart within 30 days. The Shareholder constructing a golf cart pad must contact the Physical

Property Department to obtain a permit which must be obtained prior to the start of any construction. Minimum width will be five feet (5') and maximum width of any cart pad will be six feet (6').

Materials allowed: concrete, decorative pavers and decorative stone. Decorative pavers and stone must have a three-inch (3") concrete buffer on each side incorporated into the maximum width of six feet (6') for the cart pad.

By obtaining a permit for the cart pad, the Mutual Board is giving the Shareholder a temporary easement for the exclusive use of a portion of the common area. A cart pad is for parking and charging of electric golf carts. The area cannot be utilized for any use other than charging and parking a golf cart or scooter. If there is no golf cart, the property is to be returned to a grassy area, at the expense of the shareholder, within thirty (30) days of the disposal of the golf cart. The cart pad may not be used as an outdoor patio/porch. There will be no plants, furniture or decorations of any kind on the pad. Notices of violations will be given for any infraction. After three (3) violations, the temporary variance will be revoked. At the shareholder's expense, the cart pad will be removed and returned to common area.

Before obtaining the permit, the shareholder will sign a recordable agreement agreeing to all the terms and conditions required to obtain said permit.

All costs related to this installation shall be borne by the Shareholder, including any modifications to the existing sprinkler system which work must be performed by the Mutual's contracted landscaper or other Mutual-approved contractor prior to the construction of the pad.

Article IV – Landscape Maintenance Manual

Section 4.1 – Purpose of Landscape Maintenance Manual.

This Article IV is included to enhance the enjoyment of the Mutual living style by setting and enforcing standards for Mutual landscaping. This Article IV outlines the shared responsibilities of the Mutual and its Shareholders. The Landscape Committee is entrusted with the management of landscaping including the responsibility for inspections and enforcement of this Article IV. If all Shareholders follow the policy as outlined below, the landscape areas will display what most Shareholders would consider an appealing appearance of the Mutual, a benefit for all as an attractive place to live and an enhancement of property values in the event of resale.

Section 4.2 – Resident Garden Areas.

The area extending 36 inches from the exterior wall of the Unit is set aside for the Shareholder's garden. The sides of the corner Units shall have a 48-inch limit. At the time of sale or transfer of stock, the Mutual Board will review the area and decide whether those areas which have been extended beyond these limits will be returned to the 36 or 48 inches, at the selling Shareholder's expense. Free-standing decorative objects are permitted in the garden area only and shall be limited to a maximum of three (3).

Section 4.3 – Trees within Garden Areas.

Trees may not be planted in garden areas, nor can they be planted in tubs and/or pots. Trees existing in the garden space prior to the date of the enactment of these Rules will be removed at the time of sale and/or transfer of the Unit at the seller's expense. Trees with roots which are deemed invasive or are causing damage to any part of the structure will be removed immediately at Shareholders expense. Any repairs to the structure as a result of root damage will be at Shareholders expense.

Section 4.4 – Plants within Garden Areas.

Shareholders may plant greenery of their choice from the list of Mutual-approved plants within the Shareholder garden area. Plants with invasive root growth that could potentially damage the Mutual structures and walkways are prohibited. Vines are not permitted to climb on any structures. If a trellis is used, it must be free-standing and be kept eighteen (18) inches below the eaves and twelve (12) inches from the building. All plants must be trimmed back six (6) inches from building walls and twelve (12) inches below the eaves. Shrubs shall not block windows, electric meters, or neighbors' views. Plants may not extend over the garden line, and removal of the offending growth may be done by the Mutual at Shareholder's expense.

Section 4.5 – Pest Control and Fertilization within Garden Areas.

Fertilization and plant pest control within the garden area are the responsibility of the Shareholder. Watering the garden area is also the responsibility of the Shareholder. At the Shareholder's expense, sprinklers may be added within the garden area, but must be designed and set to spray away from the building. Maintenance of sprinklers will be at the Shareholder's expense. All fertilization and plant pest control within the flower bed are the responsibility of Shareholders at their expense. Pesticide application requires careful attention to prevent endangerment to other shareholders and their pets, as well as to beneficial insects.

Section 4.6 – Potted Plants.

Potted plants are not permitted on entrance walkways; nor can they inhibit the 36-inch entry requirement. Further, potted plants are not permitted on top of, or hung from Padmount transformers, nor on telephone vaults or walk lights. Solid cement pavers must be under all pots containing trees or large plants. Potted plants are not permitted in any common areas or tree wells. Pots must be decorative, and plants cannot remain in nursery-type pots.

Section 4.7 – Maintenance of Garden Areas.

After cleaning garden areas or raking leaves, Shareholders should place the leaves or debris in the proper trash bins. At the time of escrow or transfer of stock to a new Shareholder, the Mutual Inspector and the Mutual Board will signify any plants, shrubs or trees that need to be removed. The cost of such removal will be the expense of the seller or transferee of ownership. Planting will be in accordance with the current Mutual Rules and Regulations. If the new Shareholder wishes to do the planting, it will be at his/her expense. Shareholders are expected to maintain their flower bed areas to enhance the Mutual and be aesthetically appealing to the appearance of the Mutual. If a Shareholder does not adhere to the requirements of this Article IV of the Rules,

the Mutual will advise the Shareholder, in writing, of the problem to be corrected and may take disciplinary action.

Section 4.8 – Flower Bed in Garden Area.

Every Shareholder is allowed the privilege of a flower bed area in front of his/her Unit. Flower beds cannot exceed 36" in front; side gardens cannot exceed 48". Flower beds are cultivated, weeded, and trimmed by contracted landscapers every six (6) weeks. Shareholders who desire to do the work themselves may alert the landscapers by placing red flags within the flower bed. Flags are available from gardeners. Landscapers are instructed to do clearance trimming, to remove weeds from all flower bed areas, including Baby's Tears, wild mint, ivies, and plants of the spiderwort family, even if red flags are in place. These plants can spread onto the lawns or invading neighboring gardens.

Section 4.9 – Prohibited Uses of Garden Area.

Front and side gardens may not be used as storage areas. Items such as garden soil, empty pots, garden tools, potting tables, cabinets, scaffolding, shelving, bikes, kayaks and/or surf boards are prohibited in front and side gardens and may not block Unit windows. However, a box with earthquake material is allowed. Garden areas may not be used as patio/porch areas.

Section 4.10 – Plants may not Touch any Structure.

In no instance are plants of any sort permitted to become entwined, lay upon, or in any manner touch a roof, an exposed beam, or any portion of a structure, including gutters, as these conditions invite termites, rats and mice. Any plant materials in the flowerbed whose roots are damaging the building structure, walkways, lawn area, or retaining wall must be removed at the expense of the Shareholder and the damages repaired at the Shareholder's expense. Plants not already trimmed to acceptable standards of six inches (6") from the building and decorative blocks, twelve (12) inches from the eaves, will be cut back at Shareholder's expense.

Section 4.11 – Entrance Walkways.

Entrance walkways, from the sidewalk to the structure/porch, must be kept free always of potted plants and all other impediments, including electric carts. Nothing that will in any way impede the full use of the 36" wide walkway and entry from the sidewalk to the entrance onto the porch is permitted to remain on the walkway. Plant materials must not extend outside the flower bed limits over scallop borders, walkways, turf areas, or into neighboring flower beds.

Section 4.12 – Stackable Gardens.

Shareholders are allowed to have "stackable gardens." However, any stackable garden must be constructed with materials designed specifically made for stackable gardens and shall not be constructed with cement blocks, plywood or any scrap materials. All stackable gardens must have approved plants and must be kept twelve (12) inches from the building wall and may not go above the decorative fence or be twenty-four (24) inches high from the ground. Plants may not be stacked on the block walls.

Section 4.13 – Overgrown Flower Bed.

If a flower bed is deemed to be an eyesore by the Landscape Committee and provides hiding places for spiders and rodents, then the Shareholder will be asked, in writing, to clean it out. If the Shareholder does not clean out the “overgrown” flower bed and/or overabundance of potted plants, then the Mutual will do it at the Shareholder’s expense. The Shareholder will not be reimbursed for any plants, pottery, containers or non-authorized “items” in the flower bed.

Section 4.14 – Approved Plants.

The list of approved plants attached to these Rules as Exhibit “A”. The common name of the Approved Plants will be listed first and the botanical or Latin names will follow in parentheses, as set forth in Exhibit “A”. If a plant does not appear on the approved list, the Shareholder needs to contact the Landscape/Garden Director for clarification and to obtain written approval from the Director prior to planting. If planted without prior written approval, the Mutual will remove, at its discretion, the offending plant(s) at the Shareholder’s expense. Pots may not be placed on walkways, sidewalks, or anywhere that will impede emergency access. Pots containing trees may be placed on Shareholder’s patio/porch. Any pot in the flower bed must be on a solid paver large enough to prevent roots from going into the ground. No fruits, vegetables, or trees shall be planted or placed within the flowerbed area.

Section 4.15 – Approved Drought Tolerant Plants and Succulents; Non-Approved Plants.

The flowers, plants or trees listed on Exhibit “B” hereto may not be planted in garden areas effective as of the date of adoption of these Rules. The common name of the Non-Approved Plants will be listed first, and the botanical or Latin names will follow in parentheses as set forth in Exhibit “B”. However, excluding fruits and vegetables they may be planted in pots and placed on the patio/porch. Additional prohibited flowers or plants may, in the future, be added to this list by the Board of Directors. Any tree or plant will be removed if deemed by the gardener or GRF Building Inspector to have roots that will cause damage to the sewers or infrastructure. Clearances of six inches (6”) from the structure and twelve inches (12”) below the roof must be maintained.

Section 4.16 – Fruits and Vegetables.

Land in the 1.8-acre Mini Farms is set aside in Leisure World for vegetable planting. Call Community Facilities (ext. 398) for information and to be put on a waiting list. Fruits and vegetables are prohibited in garden and patio areas of the Mutual.

Section 4.17 – Donating Trees.

The Landscape Committee wants Shareholders to know that donations of trees to enhance our Mutual’s appearance are greatly appreciated. Trees are one thing that all Shareholder’s enjoy and want to maintain. They provide shade and improve and enrich our living spaces in the Mutual. The Landscape Committee welcomes all tree donations. If you would like to donate a tree, the procedure is very simple: Present a proposal to the Landscape Committee of what type of tree you want to donate, it’s size and where you would like it planted. If your request meets the criteria set forth by the Landscape Committee, and with Physical Property approval, the

proposal will be presented to the Mutual Board, and a vote will be taken at the monthly Board Meeting. Once approved by the Mutual Board, the tree can be ordered then planted by the Mutual.

Section 4.18 – Planting Tree Wells.

All Shareholders are prohibited from planting or placing any items or vegetation within the tree wells on their greenbelts or hanging any items from the trees.

Section 4.19 – Turf Areas.

Turf areas are described as the ground areas located outside the Unit’s flowerbed area. The Mutual is responsible for the maintenance of this area. Shareholders are not permitted to install, maintain, remove, or relocate plants or any other materials, in the turf areas, around trees, irrigation corners on green belts, or around light poles. Any plants or other landscaping material that is placed in a turf area by a Shareholder may be removed at Shareholder’s expense. The Mutual Board has the authority to authorize such removal. Shareholders are not permitted to install, relocate, or adjust turf area sprinklers. Shareholders are not permitted to hand-water turf areas except for areas inadequately irrigated by the sprinkler systems. The Mutual will not plant or replace trees in the Mutual turf areas unless there is an eight (8) foot clearance from the entrance walkway and an eight (8) foot clearance from the sidewalk, or an eight (8) foot radius. Temporary use of turf areas by Qualifying Residents requires prior written approval by a Director on the Mutual Board (examples could be a picnic, party, moving, construction material storage). No tents, tarps or canopies are allowed. Golf carts or scooters are not permitted on grass areas at any time. Any cart damaging a sprinkler will result in the Shareholder or Qualifying Resident being responsible for any damage.

Section 4.20 – Laundry Room Planters.

Laundry room planters are a part of the Mutual’s landscape/lawn property – they are not for Shareholder’s use. If a Shareholder infringes upon this area, the Mutual will ask the Shareholder to remove such infringements. If the Shareholder does not remove them, the Mutual will have the infringements removed with no compensation to the Shareholder.

Section 10.12 – Insurance Requirement.

Qualifying Resident pet owners owning a cat or dog pursuant to these regulations shall procure a policy of liability insurance in an amount sufficient for the indemnification of other persons who may be injured by the pet of the Qualifying Resident with coverage in an amount sufficient to cover their personal liability. If the responsible party or parties are unwilling or unable to care for the pet, the Mutual may contact the appropriate state or local authority and request the removal of the pet. If there is no state or local authority, the Mutual Corporation may remove the pet and place it in a facility that will provide care and shelter until the responsible party or representative may be contacted, or the Qualifying Resident pet owner is able to assume responsibility for the pet, but not for longer than thirty (30) days. The cost of the animal care shall be borne by the Qualifying Resident pet owner. In the event that no resolution, as related to the care of the pet under and pursuant to the above is made within thirty (30) days, the Mutual and/or GRF are authorized to deliver the pet to any local humane society or association, either private, state, federal, or county.

The Qualifying Resident pet owner is entitled to be accompanied by another person of his/her choice at a meeting, if a meeting is requested. Violation reports should be in writing and should describe the violation, identify the alleged violator, and identify the individual making the report. The Mutual Board has complete discretion to decide whether or not to take action on a written violation complaint and what action, if any, will be taken. Violations which the Mutual Board decides to address internally will be dealt with as follows:

- A. Upon determination that an alleged violation has potential merit, a courtesy notice (warning letter) may, in the discretion of the Mutual Board, be sent to the allegedly offending Qualifying Resident/Shareholder ("Respondent") identifying the violation and requesting compliance within a stated period of time. A courtesy notice is not required prior to calling Respondent to hearing.

If the Respondent does not attend the hearing, the Respondent waives these rights.
- C. The Mutual Board shall conduct the hearing in executive session (unless requested otherwise by the Respondent) and shall afford the Respondent a reasonable opportunity to be heard.

- F. The Mutual Board shall provide the Shareholder with written notice of the outcome of the hearing and any disciplinary action taken by the Mutual Board within ten (10) days after the hearing. In the case of a continuing violation, the notice of hearing decision may include a notice of a continuing fine, if authorized by the Fine Schedule, or notice of a subsequent hearing on the same violation to be held no sooner than thirty (30) days from the original hearing date, unless the violation is sooner remedied.
- G. Fines imposed by the Mutual Board after a hearing shall be due immediately upon notice of the hearing decision to the Owner. Special Assessments levied by the Mutual Board shall be due thirty (30) days from the date of the notice of hearing decision, or upon such other later date specified therein not to exceed sixty (60) days from the date of the notice.

15.1.3 Fine Schedule. The schedule of monetary penalties which the Mutual Board may impose for general violations in accordance with the above procedures is attached to these Rules as Exhibit "C". The Mutual Board reserves the right to revise the Fine Schedule at any time through a rule change procedure and the most recent Fine Schedule shall be distributed to the Shareholders on an annual basis. Fines for parking violations are not included in Exhibit "C" but, rather, are set forth below in Section 14.2.7 of these Rules.

Section 15.2 – Parking Violations.

Any Shareholder or Qualifying Resident charged with the violation (Violator) can pay the fine or the Violator has the right to contest the "rules violation" in writing to the Parking Rules

If Shareholder provides written notice that he/she is contesting the violation, a hearing will be scheduled by the PRV of the Mutual. Violator may submit a response in writing within ten (10) business days of the violation to the PRV, if they are unable to attend the hearing. 15.2.3 A Shareholder may request one extension of the panel hearing under these following circumstances: (1) An extension of Hearing date at least 48 (forty-eight) hours prior to the scheduled PRV hearing with no explanation; (2) An extension for medical, health or family issues; (3) The written notification to the PRV panel that the Violator is bringing a lawyer. This will require a minimum 30-day extension to ensure Mutual attorney will be present; or (4) A second extension may be granted by the PRV.

15.2.4 The Shareholder has the right to examine and refute evidence. The photos may be viewed in the Security Office by appointment. The Security Department will have a representative present to explain all relevant information and evidence. This may include questions during the hearing. The PRV panel hearing is a closed meeting. Hearings will be held in executive session. The Shareholder may request an open hearing. If the Shareholder does not appear at the scheduled hearing without prior notification to the PRV panel, this will be accepted as agreement by the Shareholder of the validity of the violation and the appropriate fine may be assessed.

15.2.5 The PRV panel shall make "findings" to support the panel's decision regarding the alleged violation. Findings may allow for vacating the citation. . Notice of the panel's

decision must be given by first-class mail within 15 business days following the PRV's decision. The letter of decision shall include the PRV panel's findings.

15.2.6 The PRV panel will meet on the 3rd Wednesday of each month at 9:00 a.m. in Administration Conference Room B. A second meeting will be scheduled if the volume of hearing requests is too large; in which case the panel will also meet on the 4th Wednesday at 1:00 p.m. in Conference Room B.

Section 16.1 – Regular and Special Assessments.

Regular assessments are due and payable, in advance, on the first day of each month. If imposed, special assessments and reimbursement assessments shall be due and payable on the due date specified by the Mutual Board. Regular, special and reimbursement assessments (hereinafter collectively referred to as "Assessments"), interest, late charges, collection costs and reasonable attorney's fees, if any are imposed, are the personal obligation of the person who is the owner of the shares of stock associated with the Unit at the time when the assessment or other charge fell due.

Section 16.3 – Interest.

An interest charge at a rate not to exceed twelve percent (12%) per annum will be assessed against any outstanding balance, including delinquent Assessments, late charges, and cost of collection, which may include attorney’s fees. Section 16.6 –Special Assessment.

If a special Assessment is payable in installments and an installment payment of that special Assessment is delinquent for more than thirty (30) days, all installments will be accelerated, and the entire unpaid balance of the special Assessment shall become immediately due and payable. The remaining balance shall be subject to late charges, interest, costs of collection, and lien rights as provided herein.

Section 16.8 – Partial Payments.

Any Assessment payments received from a delinquent Shareholder will be applied to that Shareholder’s account. However, absent receipt of payment in full of all amounts due, the Mutual will proceed with any unlawful detainer action initiated against the Shareholder's separate interest, or the delinquent Shareholder personally, pursuant to and consistent with the requirements of California statutory and case law unless the payments are remitted pursuant to a written payment plan approved by the Mutual Board.

Section 16.9 – Lawsuit.

The Mutual may, at any time, determine to file a personal lawsuit against the delinquent Shareholder to recover all delinquent charges pursuant to relevant law. All costs and attorneys fee in connection with the lawsuit, in addition to the delinquent charges and other collection costs, will be sought from the delinquent Shareholder.

Section 16.10 – Attorney’s Fees.

If a lawsuit or unlawful detainer action is initiated by the Mutual to recover Assessments, the Mutual is entitled to recover not only the amount in default, but also reasonable costs of collection, including title company charges and attorney’s fees as provided for by statute, as well as the Mutual’s Bylaws, the Shareholder’s Occupancy Agreement, and/or other Governing Documents.

Section 16.11 – Suspend Privileges.

The Board may, having provided the Shareholder with a Notice of Hearing pursuant to Civil Code Section 5855, suspend the common area privileges of any Shareholder who is more than thirty (30) days delinquent in paying any Assessment. Common area privileges will remain suspended until the delinquency, including any accumulated penalties, interest and costs of collection, has been paid in full.

Section 16.12 – Secondary Address.

Shareholders have a right to identify in writing to the Mutual a secondary address for purposes of, without limitation, collection notices delivered pursuant to this Article XV. Upon receipt of a written request from a Shareholder identifying a secondary address, the Mutual shall send notices to that secondary address.

Section 16.13 – No Right of Offset.

Mutual Corporation No. Three

MEMO

TO: MUTUAL BOARD OF DIRECTORS
FROM: MUTUAL ADMINISTRATION
SUBJECT: DISCUSS AND VOTE TO REMOVE SECTION 2.6(C) FROM PROPOSED BYLAWS (NEW BUSINESS, ITEM E)
DATE: MARCH 13, 2020
CC: MUTUAL FILE

I move to remove Section 2.6(C) "Option of the Mutual to Purchase" from Page 7, Article II Share Ownership from Mutual 3's proposed Bylaws.

(c) Option of the Mutual to Purchase. A Shareholder desiring to leave the Mutual shall notify the Mutual of such intention in writing and the Mutual, for a period of thirty (30) days after written notification, shall have an option, but not the obligation, to purchase the Share, together with all of the Shareholder's rights with respect to the Unit, at an amount ~~determined by the Mutual, as~~ representing the market value thereof, less any amounts due from the Qualifying Resident to the Mutual under the Occupancy Agreement, and less the cost or estimated cost of all deferred maintenance, including cleaning, painting, redecorating, floor finishing and such repairs and replacements as the Mutual may deem necessary to place the Unit in suitable condition for another occupant. The purchase of the Share Ownership by the Mutual shall immediately terminate a Shareholder's rights and the Shareholder shall relinquish their Stock Certificate and vacate the premises forthwith.

(d) Procedure Where the Mutual Does Not Exercise Option. If the Mutual should waive its right to purchase the Share under the foregoing option, in writing, or if the Mutual should fail to exercise such option within the thirty (30) day period, the Shareholder may sell his or her Share to any person who has been duly approved by the Mutual as a Shareholder. The Mutual, in approving a proposed transferee, shall not act contrary to any applicable federal, state, or local law or regulation prohibiting discrimination based on race, color, creed, disability, gender, sexual identity or any other legally protected class. When the transferee has been approved for Share Ownership and has executed the prescribed Occupancy Agreement, the retiring Qualifying Resident(s) shall be released of obligations under the Occupancy Agreement, provided all amounts due to the Mutual have been paid.

(e) Market Value. If the Mutual elects to purchase a Share, the term "market value" means the amount which the Shareholder would have received upon the sale of the Share to the proposed transferee or, in the absence of a proposed transferee, the appraised value as determined by one (1) or more qualified real estate appraisers, less any: (i) real estate, broker's, or other commissions or fees including reasonable attorney's fees; (ii) recording and related costs of transfer; (iii) costs of such repairs and replacements as are deemed necessary by the Mutual to place the Unit in suitable condition for occupancy; and (iv) amounts due from the Shareholder(s) to the Corporation and/or to the Golden Rain Foundation.
